ANNOUNCEMENTS

Sautelle's Circus in Baltic Today.
The Big, Sautelle New Big Overland Show is coming to Baltic, May 29, and will give two performances, afternoon and evening, rain or shine, under a waterproof canvas. The Sautelle name is known in almost every part of the United States. For nearly half a century he has been catering to circumpersons, and his name stands for all that is best in the amusement world. This year he has endeavored to put together the biggest and best show he ever had and has chosen from the circus the best and most novel acts obtainable, and has put together a performance that cannot be excelled by any other show except in point of numbers. Every artist engaged to make up the programme, which is an extensive one, has been selected for his or her special ability or fitness, and it can be said without fear of contradiction that it is the best show ever seen under a canvas for the price of admission, which will be 25 cents this year, instead of 25 cents as heretofore, on account of the government war tax on each ticket sold. Mr. Sautelle has chosen his patrons by arranging to give to the Tobacco Fund ten per cent of each day's receipts to them during the entire season. So those who attend will not only enjoy a good entertainment, but will be helping that worthy society in their work "Over There." The afternoon performance will begin promptly at 2 o'clock and the evening performance at 8. There will be no street parade, as the show travels on its own motor trucks.

Bridgeport.—The city of Bridgeport will rid itself of looters by the ordinance just passed providing that all males between the ages of 18 and 60 years shall be continuously engaged or occupied in some useful work, trade, occupation or profession a minimum of 26 hours a week, with a stiff penalty for violation. This will hit the idler who hangs around the streets as well as the idler who hangs around the clubs.

Middletown.—An announcement has been made at Wesleyan of the appointment of two new members of the faculty in addition to two new assistants. Prof. Frank Edgar comes from Simmons college to be associate professor of English literature, while Prof. William G. Foy comes from Middlebury college to be associate professor of geology. Carl L.
